

The arrival of Fall is evident by the cooler weather we are experiencing. It is an indicator that the holidays are approaching. Now is a good time to start preparing for decorating and entertaining by tossing out all of your unwanted items. Please take advantage of the city's bulk pick up this month on the 22nd. Remember, items should be placed at the curb, not in the road, no sooner than the day before collection. Please contact me if other arrangements are needed.

Enjoy the cool-crisp air with a nice cup of coffee or hot cider. Let me know if you can come into the office to share a cup with me.

**Meet Dolly** one of our furry residents. She is 15 years old and is the center of Kim and Myrna's family. Activities that she enjoys include walks in the community, destroying toys by pulling out the stuffing, as well as burying her teenie greenie treats under towels. Dinner time is announced daily by her giving an attention-getting display of excitement. Her favorite neighbor is Uncle Don from across the street. A visit by him is truly the highlight of the day...for both of them.
