

MERRY CHRISTMAS!

The holiday season is officially upon us. Turkey with the trimmings has now past and the ham for Christmas dinner will soon be on the table. It seems that in addition to a season of being thankful and festive, it is also a season filled with yummy food. We hope our Thanksgiving Food Truck event was helpful in getting you started. I definitely enjoyed spending time with everyone that attended and I am very thankful to you all for being part of this community.

I encourage you to read below for the local Christmas activities that we have come to appreciate as annual traditions. Although there are some changes, due to COVID-19, it is great that these important celebrations will be offered. We hope that you are able to continue your traditions with family and loved ones. Wishing you a safe and joyful Christmas.

THANK YOU Veterans

In honor of Veterans Day, we presented one of our homeowners, Ray Biggerstaff, with this framed front page newspaper from Santo Domingo dated May 2, 1965. He is the one pictured holding a child when he and his fellow Marines rescued some children so they could flee the country for safety. We had the newspaper send a copy of it to be framed.
