

Love was definitely in the air at our doughnut Valentine's Day event. The live music by Mr. Ellsworth put us all in a sentimental mood and got many of us up on our feet with some Elvis tunes. I definitely could be taught some moves by Ms. Preslar. The doughnuts were sweet but the company and fun time was even sweeter. Thanks to all who participated.

We now approach the month of luck. So, dust off those leprechaun buckled shoes and go search for your pot of gold at the end of a rainbow. Luck may also be with you by being one of the winners in our drawing or getting a free box of Girl Scout cookies before all are gone. Read below for details and get your shamrock shaking.

Luck isn't needed for kindness, only a caring for others.
