

The Easter bunny seemed to hop with more enthusiasm this year. Changes to the COVID restrictions allowed for the return of cherished festivities and for churches to fully celebrate the Resurrection of Jesus. A return to normalcy is good for all of our souls.

The month of May is packed with so many celebratory events. Get your entry form in to observe the burger holiday at a great Belmont restaurant - Glenway. They also offer delicious salads, if you prefer to observe that... May is also National Salad month! Either way is a delicious celebration.

More important to be celebrated, recognized, and honored is our Mothers and service personnel. They have given and sacrificed so much. I encourage you to stop by the office to sign the card, to the Belmont Police Dept., in observation of Police Week and Officer Memorial Day. Appreciation is only known when expressed.
