

Many, many thanks for all the Mother's Day and get-well wishes. I had a wonderful day celebrating being a mother and I feel a lot better. The kindness you express is one of the things I love to brag about when describing our community.

Please continue the kindness by attaching the enclosed flyer to your garbage can on June 16th. This is such an important service to our community and I have seen the workers, on many occasions, go beyond their duties to assist homeowners.

I sincerely wish all of the dads, and everyone loving on their dad, a Happy Father's Day. I hope that you dads know what an impact you have on your children.

CATERED MEAL TO BELMONT POLICE DEPT.

In honor of National Police Week last month, we dropped off Ray Nathan's BBQ with all the trimmings, dessert, balloons, and a card signed by many homeowners/residents.

Resident Spotlight

We would like to introduce you to a new community resident. Father John Hoover, a Catholic Priest of 46 years, grew up in Charlotte. His calling started there, however, teaching his faith led him to many cities in our country, as well as Puerto Rico.

He now feels the need to live a slower and deeper Christian life through continuing to learn and sharing with others. Father John invites you to visit with him, at his home (229 E. Line Dr.), as you walk by or on some scheduled Sunday mornings. You are encouraged to reach out to him at (704) 344-0934. Conversations with him are truly inspiring and fun.
