

Our community celebration of Thanksgiving was a wonderful event. I appreciate all who braved the cold temperature to participate. A shout out to Philip for the great food and to all the new residents that came. I hope some of the introductions lead to new friendships.

The next event is caroling in the community. Please call me if you would like to sing with us or have us stop at your home for a few minutes. Santa will be singing with us again this year. It has become a fun event for so many.

I wish you all a safe and merry Christmas.
