

The calendar reflects that Fall is here and the temperature confirms it. September began with hot summer air but ended with much appreciated coolness. Just in time for the community event.

Philip and his wife, Tasha, are so grateful for the community blessings during their daughter's battle with cancer. They are amazed at our generosity and pleased with all that came out of their appreciation meal. I very much enjoyed my social time with you all. Expressions of appreciation and time with others are moments to be valued.

HAPPY FALL

Maintenance Tip: CHECK YOUR FILTERS!

Clean or change filters at your furnace and rangehood. A fresh filter at the furnace will lessen the dust in the home and one above the range will lessen odors and maintain safety.

Trash Pickup
Every Thursday

Next bulk pick up October 6th
Schedule yard waste pickup with the
City of Belmont 704-825-0507
