

We have been experiencing a flurry of activity in the community. New homes have arrived, new homeowners have been moving in, and kids are leaving early each morning to go to school. Please drive cautiously so that our children remain safe while walking to and from, as well as, waiting at the designated bus stops.

I encourage you to read all of the opportunities in this newsletter. While all are great, I hope you choose to participate in the appreciation food truck event. Graciously accepting one's appreciation is as important as the act that warranted it. "Feeling gratitude and not expressing it is like wrapping a present and not giving it." - William Arthur Ward ...Therefore, let's allow Philip's appreciation to be expressed.

## Senior Appreciation Luncheon

Another amazing Senior Luncheon! The food at Nellie's was superb and the conversations and entertainment were fun. A big shout out to Bob for renewing our love of Elvis, to Myrna for assistance and sharing info about a wonderful senior activity, as well as Paula for her assistance and desserts. And thanks to those who were in attendance. You are the reason for the luncheon!
