

A lot of wet and cold days were experienced in January. This weather unfortunately delayed the completion of tree trimming in the community, but now we are so pleased to see the results. We appreciate all of the positive feedback for this service.

As you see below, there is so much going on in February. I hope you, and maybe your Valentine, are able to enjoy at least one of these special days.

Good luck on the pizza giveaway! This can be celebrated on National Pizza Day or used while watching the Super Bowl. 😊
