

Spring makes me want to sing! I won't do it so that the peace is not disturbed. The nicer weather is an invitation to enjoy the outdoors and be inspired by the beauty it brings. Where flowers bloom so does hope.

- Lady Bird Johnson

April has many days to observe. None more significant as Easter. It is an opportunity for joining others in worship, feasting with family, or enjoying an egg hunt....proof that kids can find things when they really want to.

Wishing you and your family the most blessed Easter with Peace, Love, and Happiness.
