

*Fall has always been my favorite season. The time when everything bursts with its last beauty, as if nature had been saving up all year for the grand finale.*  
- Lauren DeStefano

Many of you know that these words could be my own. I am always excited when Fall presents a beautiful array of color and coolness in the air that warrants a hot beverage with the smell of cinnamon.

I am just as excited about our community partnering with the Belmont Police Department for Faith & Blue Weekend. Please read the enclosed flyer, checkout pictures and videos of last year's event, and advise the office of your size, for the free shirt, if you decide to participate. I encourage you to do so.
