

It is with great hope that everyone had a great and safe celebration of welcoming the new year in. I think the arrival of the much-anticipated Elijah, see below, is a fantastic way to begin. The other expected births will make 2024 a wonderful year.

January's cold and wet weather made for some inconveniences, including the delay in bulk pick up. Thanks to all who removed items already placed at the curb only to have to put them back the following week. By doing so, the community remained having a clean appearance.

February has many fun recognized days. Please share your experiences with the office of you celebrating any of these.

- Tammy Thomas (704-825-2946)

FAT TUESDAY FEBRUARY 13th

We are looking to put together a community event at a Honey Hunters home game in Gastonia this April to recognize National Baseball Day. Please let the office know if you are interested!

Trash Pickup Every Thursday

Next bulk pick up will be in April. Schedule yard waste pickup with the City of Belmont 704-825-0507
