Spring is here, finally! We now have warmer temperatures and more hours of sunshine. This combination makes flowers bloom and faces smile. Life is good.

Another good thing is laughter; as long as everyone involved is laughing.

"Celebrate April Fools' Day with a heart full of mischief and a soul full of mirth"

Pranks and tricks can be done with both fun and kindness.

Please remember that bulk pick up is on the 18th of this month. This is a great opportunity to dispose of those unnecessary items. Your home is meant to be a space for living, not for storage.
