

I want to express my sincere appreciation to all who placed the lawn debris, from the storms, at the curb for collection. We are so lucky that we had no damage from these storms as there was throughout the city and county.

The Belmont Police Department wants to thank you all for the card and lunch. Their meal this year was sandwiches from Jersey Mike's along with chips and sweet treats. They are really proud to serve us and are so grateful that we take time to honor them.

There are a couple of other groups of people that deserve recognition in June. Our garbage service people work so hard to help keep our community clean. Please put the enclosed flyer on your trash can on June 20th. Also important is giving our dad some appreciation for all they have done. The value of a loving father has no price. Happy Father's Day to all of you Dads!

- Tammy Thomas (704-825-2946)

Resident Spotlight: The Griffiths

We are so appreciative that our son is able to ride his bike without concerns because the other residents are so nice and look out for him. - Wendy Griffith
