

# Cato Community Newsletter July 2024

The appreciation shown to the Waste Pro workers was thoroughly enjoyed by them. It still amazes them that we care and show it.

Summer is here and we don't need a calendar to tell us. I think the temperature is enough proof. Please keep yourself and your precious fur babies safe.

It is time to celebrate our country's independence and our freedoms that came from it. May we all display some appreciation for our country as we enjoy our activities of celebration.
