

There are so many things happening in November. Don't get so involved and busy that you are unable to find a moment to enjoy all that Fall has to offer. Maybe with a seasonal drink and cinnamon dessert that can be free if you enter and win this month's drawing.

Of all the things to do, my favorites are the holiday and community event. Both allow me to spend time with people that I think are extraordinarily special. Opportunities to do so, do not come often enough.

"We must find time to stop and thank the people who make a difference in our lives." - John F Kennedy

Thanksgiving is a time of reflection for all our blessings. I wish you and your loved ones have a safe and joyous holiday.
