

I had so much fun visiting with you all at the Thanksgiving community event. Hearing about the interesting things you have been doing and seeing how much the children have grown was my favorite part. Catching up with y'all got me more excited about Thanksgiving with my family.

Please see the changes to our upcoming Christmas caroling event on the enclosed flyer. The Feimster's are unable to host an after-caroling social this year; so, in lieu of caroling throughout the community, we will be gathering together for activities. Make sure to return your entry to the office by the 5th for the drawing. I look forward to seeing you there wearing your ugly Christmas sweater for the competition.

Wishing you all a safe and happy Christmas.  
Tammey Thomas
