

March 2025 Cato Community Newsletter

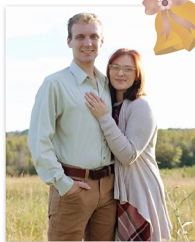

704-825-2946 CATOHOMES.COM

There are so many things for us to celebrate this month. I know we all are so happy for the arrival of Spring. I welcome the warmer weather and seeing the flowers beginning to bloom.

We also have celebrations of Selena's wedding a couple of weeks earlier, St. Patrick's Day (a man that survived slavery to become a priest and brought Christianity to Ireland), Mardi Gras that offers so many fun things to do, and an extra hour of sleep with adjusting our clocks.

I encourage you to visit the new coffee shop in our shopping center. Sebastian, the owner, personally roasts the beans to make a variety of wonderful coffee drinks. Many of you met him and his wife at our community Christmas event. He also offers smoothies and some very yummy empanadas and pastries. Don't forget to take this newsletter for a discount.

Thank you to all the Cato residents who gave gifts & congratulated us on our marriage. Your kindness warms our hearts and we sincerely appreciate it.
