

April 2025

Cato Community Newsletter

704-825-2946 CATOHOMES.COM

April has so many celebrated events. I hope you are able to participate in some of the ones on this newsletter.

This month is also the beginning of warmer days. Many of you will be motivated to do some "spring cleaning" and yard work. Please remember that bulk pick up is the 17th, if using city services. If you need other services for removal of items and lawn care, contact the office and we will try to connect you with that.

Warmest thoughts to you and your family for Easter. This holiday is all about hope, love, and joyful living. May it be a blessed day for you.

- Tammy Thomas

National Walking Day

April 2, 2025

Walking has so many benefits. With a good walking routine, you can improve your physical and mental health, tame your sweet tooth, boost your immune system, increase your energy level, and maybe make a new friend.

You can meet a neighbor as you walk through the community or when the weather doesn't allow that, go to the Belmont City Rec Center and enjoy some social time as you walk their climate-controlled indoor walking track. They also offer classes, equipment, and pickleball courts. You can enjoy all of this for only a \$10.00 annual fee.

GARIBALDI FESTIVAL

ART · MUSIC · FOOD
