The summer season officially begins in June; are you prepared? The increased temperature grows the grass so, do you have lawn care in place? Also, please remain healthy by staying hydrated, minimizing your time in the heat and using sunscreen when in the sun.

Enclosed is a "thank you" flyer to put on your trash can on June 18th and a map showing our stops and times for the community ice cream event. I look forward to seeing you all then.

Thank you to everyone that signed the card for the Belmont Police Department. While Selena and I were there delivering the lunch, we were told numerous times to express how much they appreciate us thinking of them and our generosity. They spoke so positively about our community.

June is also a dedicated time to show appreciation to our fathers. If you are blessed to still have your father in your life, take a moment to thank him.
