

The rain has been quite the hindrance on accomplishing any outdoor project. We appreciate everyone properly maintaining their lawn with such little opportunity to do so. It appears that the rain is now moving out; only to bring in the hot temperatures.

I am so glad that the rain held off during our community ice cream event. It was so much fun. I enjoyed our time together and hope that everyone liked Frios. I didn't realize that so many of you knew Robin, the owner of the truck. She thoroughly enjoyed her time here and has offered to come back.

I am wishing you all a happy and safe 4th of July holiday. This is a great time to reflect on how this became our country's day of independence that allows for all of our freedoms.
