

Wow, is it hot?! These temperatures don't just make it uncomfortable, they also can make it unhealthy. Be proactive and prepared by staying hydrated, limiting your time outside, and knowing the symptoms of heat exhaustion and heat stroke. Also, look out for your neighbors and pets.

Some of our residents will be returning to school on August 13th. This is an exciting time for all involved; however, it impacts us all with increased traffic in the mornings and afternoons. Please be more observant and show kindness with patience.

Our community has been asked to participate in the Belmont Police Dept.'s annual Back to School Fundraiser. Please donate what you can. Many of you gave money last year and the members of the department and/or our office are happy to purchase the items for you. Let's help these students be prepared.

"The secret of success in life is for man to be ready for his opportunity when it comes." -Benjamin Disraeli

- Tammey Thomas
 (704-825-2946)

School supply donations can be dropped off in the office.
