Return entry by September 10th

As September approaches, we can anticipate cooler days and Fall inspired flavored drinks. Two things that I will appreciate very much. Jade & Elise will be offering hot and cold drinks with flavors of cinnamon, maple syrup, and pumpkin. So, get your entry in for a yummy beverage on Cato!

I am also excited about our upcoming Senior Appreciation Luncheon this month. Recognizing special people is joyful to me and you can't find more special than our community seniors. This event is always filled with great socializing and lots of fun with a little rowdiness on occasion.

You will see several noted days of recognition on this month's newsletter. Be sure to also observe National Neighbor Day on September 28th. This community definitely represents it. I have seen and heard of so many good neighborly acts of kindness here. Thanks to all who have put your neighbor first.

*"Neighbors are not just people who live near you; they are part of your community."* -Emily Singh

**MONDAY  
SEPTEMBER 1ST**  
\*office will be closed

## Community Spotlight

**Meet Josh Mruk!** You may see him in our office or in the community as he completes an internship for the next few months with us. He is a Senior at Belmont Abbey College studying business management. Please take the time to introduce yourself.

Thank you to all that donated school supplies for the Belmont Police Department's drive!

## Senior Luncheon Update Thursday Sept.18 at 1:30om Belmont Parks and Rec

1315 E. Catawba St. (Multi-purpose room)

If you confirmed attendance, you will find enclosed a menu form that needs to be completed with your choices and returned by Sept. 5th. If you have not confirmed attending and would like to, please contact the office.
