We have had another fun-filled Senior Luncheon or, that's what I am hearing. Unfortunately, I had unexpected business in Raleigh to address. Selena was well prepared and did an amazing job. I would like to express gratitude to her along with Josh, Myrna, Elizabeth, and Gloria for their assistance. It is my understanding that all enjoyed the comedic magician. Our ladies, Shirley and Rebecca, were great participants. I have also heard many compliments about the meal catered by Cherub's and some excitement about the prizes. I look forward to next year's event.

Well, Fall has arrived and the seasonal drinks are being offered. Congratulations to the winners of the drawing for gift cards to Jade & Elise Coffee Shop in our shopping center. They are a sponsor to the outdoor mini market on the flyer below.
