"It looked like the world was covered in a cobbler crust of brown sugar and cinnamon." - Sara Addison Allen

Wow, what a delicious description for the beauty of autumn. There are only a few weeks left to enjoy the amazing display of color given to us by Mother Nature. Take some time to enjoy before it is gone. Also, review all the events listed in the newsletter. There are so many options to participate in. Just leave some time for us on November 20th to grab a plate for dinner and socialize for a few moments. I am so excited to see you all there.

I wish you and your family a Happy Thanksgiving with joyous moments that become wonderful memories.
