

December 2025 Cato Community Newsletter

Thanks to all who attended our community Thanksgiving event. I had so much fun socializing with you. I appreciate that the changes to the venue and time didn't discourage you. Please give us some feedback, if you haven't already, on the changes and if you enjoyed the food truck. I hope your family and friends' Thanksgiving meal was just as fun.

Our office is now working on the upcoming community Christmas event. We welcome any suggestions. I have had several people requesting that we do the caroling through the community again. We have included a flyer with details. I hope to see you there.

Wishing you all the joy, love, and laughter that Christmas brings!
