

January 2026 Cato Community Newsletter

Wow, it's cold outside! These are temperatures we usually don't get until late January. Make sure that you and your furbabies are bundled up when outside. Also, don't ignore your pipes and outside faucets. Be proactive by allowing a slight drip at your indoor faucets and covering your outside faucets to prevent freezing.

It was cold at our community Christmas event as well. We still had a good time with the hot cocoa, treats, prizes, and just being together. I appreciate everyone that braved the temperatures to join in.

We are now just days away from a new year, a new beginning. Embrace this opportunity to do something different or new.

"You are never too old to set another goal or to dream a new dream." -CS Lewis

I wish you and your family a wonderful and safe holiday. Thank you from Selena and I for all the gifts, treats, and cards given to us for Christmas!
