

February 2026 Cato Community Newsletter

704-825-2946 CATOHOMES.COM

We just completed several holidays in a short period of time and it sounds as if some of you are as exhausted as me. We appreciated hearing your stories and are glad that so many of you enjoyed this time. I hope you have been able to rest up to prepare for all of the recognized days and special events in February.

Please take notice of all the opportunities, referenced on this newsletter, to celebrate. Although National Pizza Day is the yummiest, I believe most of us will focus the majority of our attention on the love day, Valentine's. I will express my feelings for you all with combining the two by saying....
