The falling snow was beautiful to watch, the snow cream was delicious to eat, hearing the kids playing in it was fun; but, seeing it melt away was so gratifying. It has been many years since we have experienced a winter like this. I hope you all are staying warm and safe. Fortunately, we only have a few weeks til Spring officially arrives and we can store away the winter attire.

As the warmer temperatures arrive, the grass will begin to grow. I encourage you to get ready by doing proper maintenance on your lawn equipment or contracting someone to maintain your lawn for you. Please note that Mr. Perry will no longer be an opportunity for you. He has officially retired. We are so sad that he will not be part of our staff; but, so happy for what's to come for him and his wife.
