

April 2026 Cato Community Newsletter

Our mini event to recognize National Peanut Butter Lover's Day was so much fun. I didn't realize that so many of you love peanut butter like I do. Thanks to all who participated. We have some great pictures.

The welcomed warmer days also bring us opportunities for some outdoor activities. There are many local ones referenced on the newsletter. You can cook a great meal at home with some fresh ingredients purchased at the Farmers Market, watch a movie at the Drive In or at Stowe Park, or attend a festival. All are a great way to start your Spring.

Wishing you a basket full of joy, peace, and love this Easter. I remember the excitement of waking up to an Easter basket full of colorful treats and putting on a special dress to spend the day with family. Hoping your Easter is as memorable.
