

Well, there is no doubt that summer is here. Some days have had very high temperatures and there is still many days left before the change of season. Please use caution while enjoying the outdoors and look after your pets and neighbors. It was warm during our ice cream event too; however, the provided tents allowed us all to have a good time together. Everyone seemed to enjoy the food, music, and mostly the great fellowship. Thanks to all who participated with us and congratulations to the winners!

Our next event will be our Senior Luncheon. An invitation is included with this newsletter, if you are fortunate enough to be of senior age. Please contact our office if you do not have one. Notice the change of date for the event as well as the deadline to RSVP with the office. This event is always such an enjoyable time, and we look forward to showing our wonderful seniors some special attention.

The first day for students to return to school will be on Wednesday, August 12th. This will begin the return of school buses in the community for pick up and drop off for some of our residents. It is important to be more observant and patient during these times so that everyone is safe. Parents, we welcome pictures of your child's first day.

We hope you all enjoy the remainder of your summer and make some great memories.

- Tammey Thomas (704-825-2946)

BACK TO SCHOOL

Cato Senior Luncheon

***NEW DATE!
September 28th**

**CATO
CORNER**
