Well, we have officially entered into the holiday season. I hope all that trick or treated were rewarded with the "good" candy and didn't finish it all that evening. For all of you candy givers, I hope you gave out more than you ate.

We had another wonderful Senior Luncheon with good food, information, and socialization. To the ones that were not able to come due to medical, we are still praying for you that had a negative outcome and celebrating the ones that ended positively. We are looking forward to seeing you next year.

Our upcoming community event is the Thanksgiving Food Truck. You will find the details below. Please make sure to get your ticket by November 13th. **This is very important.**

Thanksgiving is a day to reflect on things that have brought us joy. From a simple acknowledgement of you or someone being there when needed, to the most extragavance of a gift. We should also appreciate all we have now and for what is to come. Wishing you and your loved ones a Happy Thanksgiving.

- Tammey Thomas (704-825-2946)
